

SOG Production Run Types

RP - Regular Production: Normal production. Usually listed in SOG catalogs, SOG dealer price lists, and on the SOG company website.

Examples: S2 Trident, TWI-08 Twitch II

SE - Special Edition: Limited production. Not usually in SOG catalogs but usually in SOG dealer price lists and on the SOG company website. Not serial numbered.

Example: SS1 Sterile Bowie, SS2 Sterile Trident

LE - Limited Edition: Limited production. Serial numbered and usually comes with a Certificate of Authenticity. Not usually in SOG catalogs or SOG dealer price lists but usually on the SOG company website.

There are exceptions that were called “Limited Edition” but later went into further production without serial numbers and COA’s.

Example: CT-02 Facet (White Micarta) (200 only) **Exception Example:** Twitch II-UV

FE - First Edition: Limited to the first of the production run. Sometimes “First Edition” is etched on the blade and a serial number is always etched on the blade or guard. Not usually listed as “First Edition” in the SOG catalog or SOG dealer price list but usually on the SOG company website. Any further production is listed in SOG catalogs, SOG dealer price lists, and on the SOG company website without serial numbers.

Examples: S1 Bowie, AG01 Agency

EP - Exclusive Production: SOG product ordered is exclusive to a specific retailer. Not in SOG catalogs, SOG dealer price lists, or on the SOG company website. Not serial numbered.

Examples: SE-51BU Spec Elite I Auto (Blue) (BladeHQ); Twitch II Copper (SMKW) TWI301-PB

SO - Special Order: Customer purchased SOG product that has been customized by SOG to the customer’s specific request.

Examples: Personal name etched somewhere on product; unique tiger-stripping done by hand.
